A Mobile Building like no other
/ With Endless Possibilities

A Mobile Building like no other

/ Easily
Transportable

On any container trailer
Anywhere you want
Out of the way fast

/ Easily
Levelled

Equipped with a hydraulic mechanism, outriggers and adjustable legs to unload and position the Mobile Space on any surface, levelled or uneven.

/ Rapidly Deployable with no machinery

Pre-assembled structural panels unfold hydraulically and expand the Mobile Space from its container road mode to a full building configuration, offering up to 10 times its original volume.

M

Mobile Space

/ A Building like no other
